Practical Action works with some of the poorest people in the world, helping them choose and use appropriate and sustainable technologies to lift themselves out of poverty.

We are the SE London Local Group of volunteers. As part of our programme, we present a fund-raising concert every year at St Faith's. All profits go to the charity.

Meridian Brass gave a concert for us 5 years ago, which was one of the best we've ever had – brilliant, informative and entertaining. This one explores music influenced by travel to and from 'this sceptr'd isle' by Bridge, Holst, Dowland, Mozart, Foulds and others. There will be a few surprises too. . . .

DON'T MISS IT!
